The City Directory

is the most effective and most economical method of reaching all the people all the time. Those who buy without looking at the list of those who sell do themselves great injustice. The classified lists in the Business Directory form the best Buyers' Guide on earth. A modern, up-to-date method of getting what you want.

HILL'S NORFOLK

Directory of Householders, Occupants of
Office Buildings and Business Places
INCLUDING
A Complete Street and Avenue Guide
AND LIST OF
STREET CAR and BUS ROUTES

1930

Copyright, 1930, by Hill Directory Co., Inc.

The named streets are arranged in alphabetical order, followed by the numbered streets in numerical order.

Intersecting streets are shown at the actual numbers where they intersect on each of the streets.

House numbers are compiled in numerical order, both sides of street embracing odd and even numbers, included in one list representative of the entire street.

Following the street numbers are shown the names of the resident occupant or business concern. Places of business are indicated by the nature of the business being stated after the names.

*** between two intersecting streets designate there are no houses between them. (c) denotes colored.
